

VESPER is a young, dynamic physical trading company. We have offices and warehouses in the Netherlands, Belgium, Slovenia & Switzerland. We are trading successfully worldwide and are looking to propel that success by further building our team.

For our offices in the transport zone near Hazeldonk near the border with Belgium, we are hiring a

Senior Operations Manager

in charge of our day to day logistics & warehouse operations.

Your main responsibilities will be:

- Leading and coaching our team of 3 Operations Managers, while also working as part of the team.
- Optimization of our work processes on a continuous basis, working closely with the team and management.
- Coordination and planning of cargo shipments (containers & trucks) with clients and suppliers and other third parties from all over the globe.
- Client invoicing and supplier billing (Exact bookkeeping software).
- You will be responsible for our operations in our warehouses in Belgium, Netherlands, and Slovenia.
- Close cooperation on a day to day basis with our clients, suppliers, and warehouse employees.
- Accommodating rapid growth in a challenging trading environment.

Your Profile

- You are a specialized logistics professional with 10 year+ experience.
- You are an expert in all documentation and instruments pertaining to cross border shipments of cargo.
- You have Letter of Credit expertise.
- Ability to switch rapidly between different business lines and their relevant operations.
- Coordinating operations gives you extreme pleasure, making customers happy and achieving success makes you feel fantastic.
- Fluency in Dutch, German and English, any other language is advantageous.
- You know how to work with MS – Office and in general, you are a digital savvy person.
- You don't have a 9-5 mentality, like to work at a fast pace and are willing to go the extra mile to make your mark.
- Willingness to travel to manage your warehouses.
- You are meticulous and work efficiently.

We are offering you:

- A dynamic work environment where your input is highly valued, short decision lines, and your own contribution is quickly visible.
- An interesting opportunity to make your mark and grow with a growing international company.
- A large variety of tasks which will make your day to day work very varied.
- A young and energetic team.
